

#### F. 我的授權書是否有期限？

此授權書將於此項研究終結及所有規定的研究監控結束時終止。而研究報告能永久被使用。

#### G. 我能否取消我的授權？

你可以隨時取消授權。你可以有兩種做法。你可以書面通知研究員或者向其中一位研究小組人員索取一份取消授權的表格。如果你取消授權的話，你將可能不可以繼續參與這項研究。你或者應該向研究小組人員查詢取消授權會否對你的治療有影響。如果你取消授權的話，以前已收集及公開的資料仍可能繼續被使用。同時，如應法例要求，贊助者及政府機構亦可能會參閱你的醫療記錄，以審核研究質素及安全。

This permission to release your Personal Health Information expires when the research ends and all required study monitoring is over. Research reports can be used forever.

#### G. Can I cancel my permission?

You can cancel your permission at any time. You can do this in two ways. You can write to the researcher or you can ask someone on the research team to give you a form to fill out to cancel your permission. If you cancel your permission, you may no longer be in the research study. You may want to ask someone on the research team if canceling will affect your medical treatment. If you cancel, information that was already collected and disclosed about you may continue to be used. Also, if the law requires it, the sponsor and government agencies may look at your medical records to review the quality or safety of the study.

#### F. 我的授權書是否有期限？

此授權書將於此項研究終結及所有規定的研究監控結束時終止。而研究報告能永久被使用。

#### G. 我能否取消我的授權？

你可以隨時取消授權。你可以有兩種做法。你可以書面通知研究員或者向其中一位研究小組人員索取一份取消授權的表格。如果你取消授權的話，你將可能不可以繼續參與這項研究。你或者應該向研究小組人員查詢取消授權會否對你的治療有影響。如果你取消授權的話，以前已收集及公開的資料仍可能繼續被使用。同時，如應法例要求，贊助者及政府機構亦可能會參閱你的醫療記錄，以審核研究質素及安全。

This permission to release your Personal Health Information expires when the research ends and all required study monitoring is over. Research reports can be used forever.

#### G. Can I cancel my permission?

You can cancel your permission at any time. You can do this in two ways. You can write to the researcher or you can ask someone on the research team to give you a form to fill out to cancel your permission. If you cancel your permission, you may no longer be in the research study. You may want to ask someone on the research team if canceling will affect your medical treatment. If you cancel, information that was already collected and disclosed about you may continue to be used. Also, if the law requires it, the sponsor and government agencies may look at your medical records to review the quality or safety of the study.
